

# GLOBAL NETWORK LOCATIONS

MAKE VALUABLE CONNECTIONS WORLDWIDE

There's a world of opportunities for Wisconsin businesses. Pursuing export opportunities requires specialized assistance to identify and tap into new global markets. The Wisconsin Economic Development Corporation will help you get your foot in the door of markets around the world. Our market development directors work with other state agencies and a team of experts that represent 96 countries and territories around the world to assist you with market assessments, partner searches and business meeting facilitation.
