

WE'RE ALL IN SMALL BUSINESS GRANT

PANDEMIC RELIEF FOR SMALL BUSINESSES IN WISCONSIN

Small businesses in Wisconsin often operate on razor-thin profit margins and hold very little cash in reserve, which makes weathering the effects of a global pandemic particularly challenging. Complicating matters for these small businesses seeking federal or other financial assistance is that they often lack the financial relationships required, or are otherwise ineligible to qualify for these programs. WEDC's **We're All In Small Business Grant** is designed to help these small businesses get back on their feet, while also encouraging adoption of best practices to keep employees, customers and communities safe.

HOW IT WORKS

Funded by the federal Coronavirus Aid, Relief and Economic Security (CARES) Act, the **We're All In Small Business Grant Program** will provide \$2,500 to 30,000 Wisconsin small businesses to assist with the costs of business interruption or for health and safety improvements, wages and salaries, rent, mortgages and inventory.

ELIGIBILITY REQUIREMENTS

To be eligible, businesses must:

- employ 20 or fewer full-time equivalent (FTE) employees, including the owner;
- earn greater than \$0 but less than \$1 million in annual revenues; and
- have been in business in February 2020.

Applications will be reviewed for eligibility and will be scored, ranked and awarded based on industries with the greatest impact due to the COVID-19 pandemic, community distress and geographic dispersion. Whether the business has received assistance through WEDC's Small Business 20/20 or Ethnic Minority Emergency Grant initiative, or the U.S. Small Business Administration Economic Injury Disaster Loan Program or Payroll Protection Program will also be considered.
