

MAIN STREET BOUNCEBACK GRANTS PROGRAM

\$10,000 grants to help you open or expand your business

We know it takes a lot to get a business up and running. We want to do everything we can to help you find a location and open your doors, which is why we wanted to direct your attention to this new program from the Wisconsin Economic Development Corporation (WEDC).

To encourage businesses to move into vacant properties, WEDC is offering \$10,000 [Main Street Bounceback Grants](#) to offset the cost of purchasing a commercial space.

Whether you're planning your first location or considering a second or third location, your business could qualify as long as you aren't vacating another commercial space in Wisconsin to do so.

[Learn more](#) about the Main Street Bounceback Grants Program, then give us a call so we can help you find a space that fits your needs. As always, we're happy to help in any way we can.
