

COMMUNITY DEVELOPMENT INVESTMENT GRANT

BUILDING VIBRANT COMMUNITIES IN WISCONSIN

The Wisconsin Economic Development Corporation's (WEDC's) **Community Development Investment (CDI) Grant Program** helps transform communities by funding projects that mobilize people and resources to inspire positive and substantive local development.

How it works

The CDI Grant Program will support urban, small city, and rural community (re)development efforts by providing financial incentives for catalytic shovel-ready projects with emphasis on, but not limited to, community-driven commercial corridor efforts. The maximum grant amount is generally \$250,000. Grant recipients must provide a minimum 3:1 matching investment in project costs; projects located in a designated economically distressed community, a Development Opportunity Zone, or a rural community must provide a minimum 1:1 matching investment. Additionally, a project where a key component is to provide child care services or expand housing availability may also be approved by WEDC to provide 1:1 matching funds.
