concentration than the U.S. average in animal farming and its supporting activities

Lightcast 2025 Q1 Dataset

Wisconsin is a

WORLD LEADER IN ANIMAL GENETICS

accounting for nearly **60%** **of total U.S. exports of bovine semen** in 2024

U.S. Census Bureau data via WESERTrade

INDUSTRY STRONG. TECHNOLOGY SMART. FUTURE READY.

"

With investment raised thanks to WEDC's Qualified New Business Venture Program, we were able to hire a couple other people and keep more developers hired for a longer period of time. It's just helped us develop more of our software and fully develop the first iteration of our marketplace. "
