Reduce Risk – Increase Speed to Market

This site has been designated as “suitable for development”* by the Wisconsin Economic Development Corporation (WEDC). The site meets pre-defined criteria for site size, availability of utility and transportation infrastructure, physical and technical condition, environmental assessments, support by local communities, and other factors.

* Site designation is based on information that has been submitted to Site Selection Group (SSG) and WEDC, and that SSG and WEDC believe to be true. SSG and WEDC have no liability or responsibility for existing or future conditions of the sites.
